

Product information

Dimensionair air gages (single master system) Millimar D-4000

Product features

- Operated with regular workshop compressed air (40-125 psi)
- An internal pressure regulator keeps the measuring pressure within the calibrated range
- Zero offset of the instrument with just one setting standard and the zero adjuster
- Clear display with fine dial graduation and needle thin pointer gives an accurate, reliable readout
- An integrated air filter removes dust and dirt particles from the air supply
- Equipment connection on the front of the device; hand tightening is sufficient for tight connections
- No recalibration required after changing the measuring equipment; measurement can be resumed immediately after setting the instrument to zero
- 4 models available, choice of mm or inches

Package contains

adapter for pneumatic plug gages, Federal compatible, air filter, supply hose AHO-2

Item no.: **2095195**
