

# Product information

## Thread anvils Multimar 844 Tr

### Product features

- For pitch diameters
- Hardened, wear-resistant special steel
- With cylindrical mounting shank and retainer ring which ensures locking while permitting rotation in bore

Item no.: 4501425

### Technical data

|                                      |                |
|--------------------------------------|----------------|
| <b>Measuring element for threads</b> | Blade          |
| <b>Thread parameter</b>              | Pitch diameter |
| <b>Type of thread</b>                | UST 60°        |
| <b>Pitch angle in degrees</b>        | 60°            |
| <b>Thread pitch in TPI</b>           | 4,5-3          |
| <b>Length (mm)</b>                   | 6              |
| <b>Mounting hole</b>                 | 3,5            |
| <b>Shaft diameter</b>                | 3.5            |
| <b>Shaft length</b>                  | 6              |
