

# Product information

## Inductive probe Millimar EHE-2049

### Product features

- Frictionless straight movement
- Adjustable pre-travel
- Measuring force adjustable via external spring
- Cable length 2.4m

Item no.: **2120418**

### Technical data

<b>Measuring range from</b>	-0.25
<b>Measuring range up to</b>	0.25
<b>Measuring range from</b>	-0.01
<b>Measuring range up to</b>	0.01
<b>Measuring force (N)</b>	Adjustable 0,85 - 4N (3oz. - 14 oz.)
<b>Repeatability fw (<math>\mu\text{m}</math>)</b>	0.01
<b>Repeatability fw (inches)</b>	0.5000 uinch
<b>Cable length</b>	2.4
<b>Compatibility</b>	Federal
