

Product information

Height measuring instrument Digimar 816 CLT350

Package contains

height measuring instrument
incl. operating and display unit,
carrier 817h1, probe K6/51,
setting block 817 eb, USB
cable, instruction manual,
power source, protection cover,
Calibration certificate

Measuring system properties

- Excellent measuring accuracy and reliability due to the optical incremental measuring system with the double reader head
- Dynamic probe system enabling high repeatability
- Air bearing system for light and smooth movement
- Measuring head guided in precision ball bearings
- Motorized measuring slide simplifies measurement runs
- Probe constant remains after the instrument is switched off
- Integrated rechargeable battery with a long operating life for mains-independent measurement
- Temperature compensation via integrated temperature sensor

Item no.: 4429630
