

Product information

High-precision, fully automatic reference form measuring device MarForm MarForm MFU 200

Product features

- Optimized for use in the measuring room and the achievement of reference quality
- High reproducibility of the measurement results through dynamic real-time compensation, which detects and corrects even the smallest deviations in the measurement sequence
- Productivity thanks to high temperature stability over a long period of time – no daily calibration necessary
- Extreme precision due to high-precision rotary axis with Mahr precision guides: roundness deviation of < 20 nm
- Intuitive to use and proven MarWin measurement and evaluation software

Item no.: **5440580**

Technical data

| | |
|---|---|
| Pos.-/Meas. path X-axis | 200 mm |
| Pos.-/Meas. path Z-axis | 320 mm |
| Positioning speed C-axis | 0.1 - 200 1/min |
| Positioning speed X axis | 0.1 - 100 mm/s |
| Positioning speed Z-axis | 0.1 - 100 mm/s |
| Workpiece diameter max. | 280 mm |
| Angular resolution C-axis (interpolated) | 0.0001° |
| Axial running deviation C-axis | 0.02 + 0.0002 µm/mm*measuring radius (acc. to DIN EN ISO 1101) |
| Straightness deviation X-axis | 0.075 µm/measuring path (according to DIN EN ISO 1101) |
| Straightness deviation Z-axis | 0.1 µm/measuring path (according to DIN EN ISO 1101) |
| Positioning uncertainty X-axis | 2 µm (according to VDI/DGQ 3441) / 0.5 µm (with probe backlash) |
| Positioning uncertainty Z-axis | 2 µm (according to VDI/DGQ 3441) / 1 µm (with probe backlash) |
| Reference temperature | 20 °C |
| Centering and tilting table | motorized |
| Table diameter | 180 mm |
| Table load max. | 20 kg |
| Probe system | Tactile 1D |
| Special equipment | CNC-Tisch und dynamische Echtzeitkompensation |
| Storage and transport temperature | -10 °C to 50 °C |
| Sound pressure level | < 70 dB(A) |
| Permissible humidity | max. 70 % relative humidity; non-condensing |
| Mains voltage | 230 V |
| Mains frequency | 50 Hz |
| Weight basic unit | 850 kg |
| Scope of delivery | T7W probe system (incl. probe arm 3 x 60 mm) |
