## Your contact persons at a glance

### Important contacts for all cases

Your concerns are important to us. That's why you can find the right contact here quickly and easily.

Service | We are there for you

## Welcome to Mahr Service

Dear Customer,

contact to you is very important to us. We want to make sure that you find the right contact person in our service department as quickly as possible. This flyer will have been put together for this purpose.

If you have a technical question, please contact the technical hotline first. If it is not possible to clarify your request by telephone or remote access, a service technician will be sent by our dispatch department.

Best regards from Göttingen

**Axel Burscheid**  
Director Global Service
